

# EYE INFUSER

Retail price: \$49.99 USD | Sku: RB2030

(1) Eye Infuser Tool; (1) Silicone Replacement Tip; (2) AAA Batteries

## How does Eye Infuser Work?

Designed to boost the efficacy of Transforming Eye Treatment, retro.co Eye Infuser is a compact, handheld, silicone-tipped device that delivers skincare benefits deep into the skin via a combination of up to 10,000 gentle pulses per minute. Eye Infuser leaves the eye area instantly refreshed, soothed and deeply hydrated with the appearance of puffiness reduced. The angle of the device can be varied to offer a customized treatment based on need.

## REAL RESULTS

- Boosts Product Absorption
